This section features a large red uppercase letter 'C' with a dashed line inside for tracing. A small black circle with the number '1' is at the top right, and a black arrow points clockwise from the top right. To the left of the letter are three red circles. Below the letter are three lowercase letters: 'c', 'o', and 's', each with a red arc underneath it.

This section features a large red uppercase letter 'D' with a dashed line inside for tracing. A small black circle with the number '1' is at the top left, and a black arrow points downwards. A second small black circle with the number '2' is at the top right, and a black arrow points leftwards. To the left of the letter are three red circles. Below the letter are three lowercase letters: 'd', 'q', and 'b', each with a red arc underneath it.

k t l

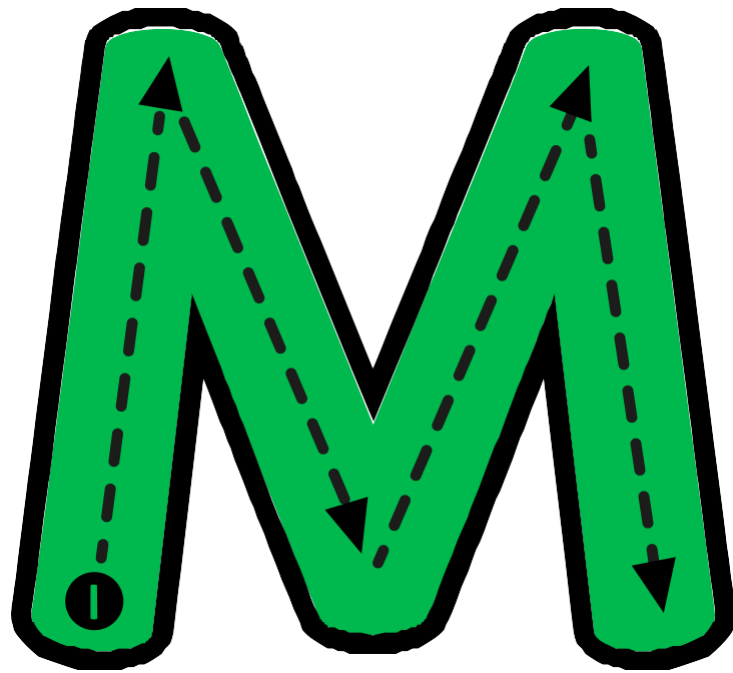

This panel is for learning the uppercase letter 'K'. It features three black circles on the left side. In the center is a large, light green uppercase letter 'K' with a thick black outline. The letter is divided into three sections with dashed lines and arrows indicating the stroke order: 1. A vertical line starting from the top and going down. 2. A diagonal line starting from the top of the vertical line and going up and to the right. 3. A diagonal line starting from the middle of the vertical line and going down and to the right. Below the letter are three lowercase letters: 'k', 't', and 'l'. Each letter has a light green curved line underneath it, indicating the starting point for writing.

h t l

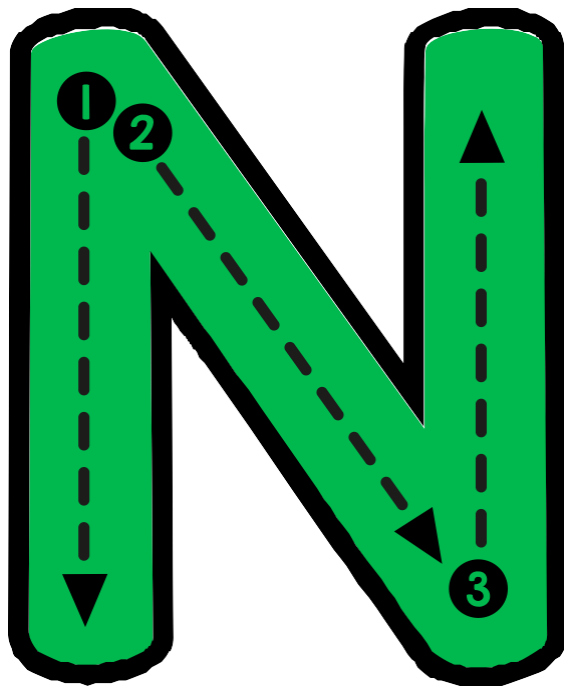

This panel is for learning the uppercase letter 'L'. It features three black circles on the left side. In the center is a large, light green uppercase letter 'L' with a thick black outline. The letter is divided into two sections with dashed lines and arrows indicating the stroke order: 1. A vertical line starting from the top and going down. 2. A horizontal line starting from the bottom of the vertical line and going to the right. Below the letter are three lowercase letters: 'h', 't', and 'l'. Each letter has a light green curved line underneath it, indicating the starting point for writing.

Tracing guide for the lowercase letter 'g'. The letter is shown in yellow with a dashed outline and numbered arrows indicating stroke order: 1 for the counter-clockwise circle and 2 for the downward vertical stroke with a hook. To the left are three yellow circles. Below the letter are three options: 'R', 'G', and 'B', each with a yellow arc indicating the starting point for writing.

Tracing guide for the lowercase letter 'h'. The letter is shown in yellow with a dashed outline and numbered arrows indicating stroke order: 1 for the vertical downward stroke and 2 for the hump. To the left are three yellow circles. Below the letter are three options: 'M', 'T', and 'H', each with a yellow arc indicating the starting point for writing.

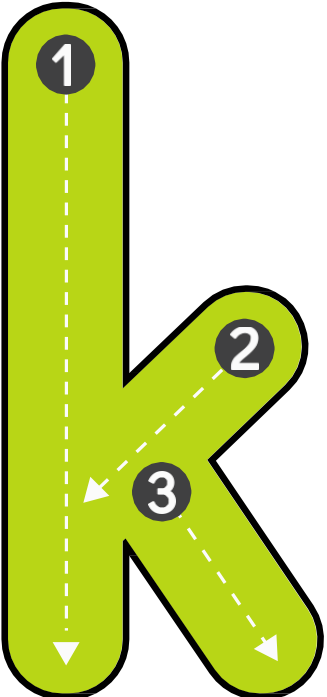

This panel illustrates the tracing process for the uppercase letter 'I'. On the left, three yellow circles are arranged vertically, serving as starting points. The central focus is a large orange letter 'I' with a dashed line and a downward-pointing arrow labeled '1' indicating the stroke direction. Above the letter is a solid orange circle labeled '2', representing the dot. Below the letter, three options are shown: 'A', 'I', and 'E', each with a yellow arc underneath it to indicate the correct starting point for tracing.

This panel illustrates the tracing process for the lowercase letter 'j'. On the left, three yellow circles are arranged vertically, serving as starting points. The central focus is a large orange letter 'j' with a dashed line and a downward-pointing arrow labeled '1' indicating the stroke direction. Above the letter is a solid orange circle labeled '2', representing the dot. Below the letter, three options are shown: 'J', 'Y', and 'G', each with a yellow arc underneath it to indicate the correct starting point for tracing.

S H K

This panel shows a tracing guide for the uppercase letter 'K'. At the top, there are three black circles. Below them is a large green letter 'K' with three numbered arrows indicating the stroke order: 1 is a vertical line down, 2 is a diagonal line from the top of stroke 1 to the right, and 3 is a diagonal line from the top of stroke 1 to the left. Below the 'K' are three black letters: 'S', 'H', and 'K'. Each letter has a green curved line underneath it, indicating the starting point and direction for tracing.

L I E

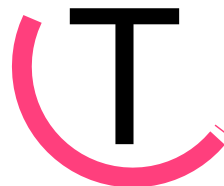

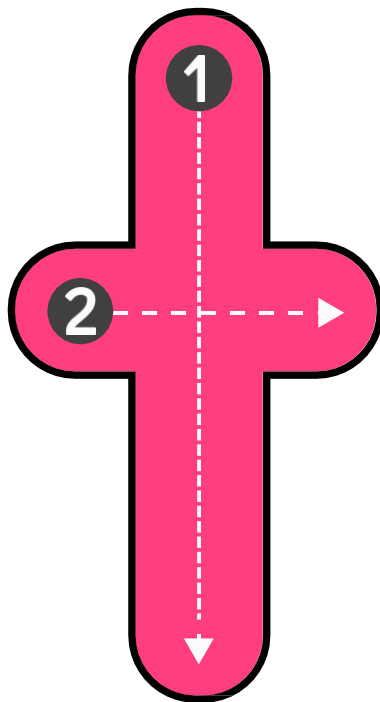

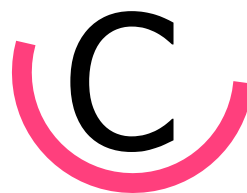

This panel shows a tracing guide for the uppercase letter 'I'. At the top, there are three black circles. Below them is a large green letter 'I' with a single numbered arrow indicating the stroke order: 1 is a vertical line down. Below the 'I' are three black letters: 'L', 'I', and 'E'. Each letter has a green curved line underneath it, indicating the starting point and direction for tracing.

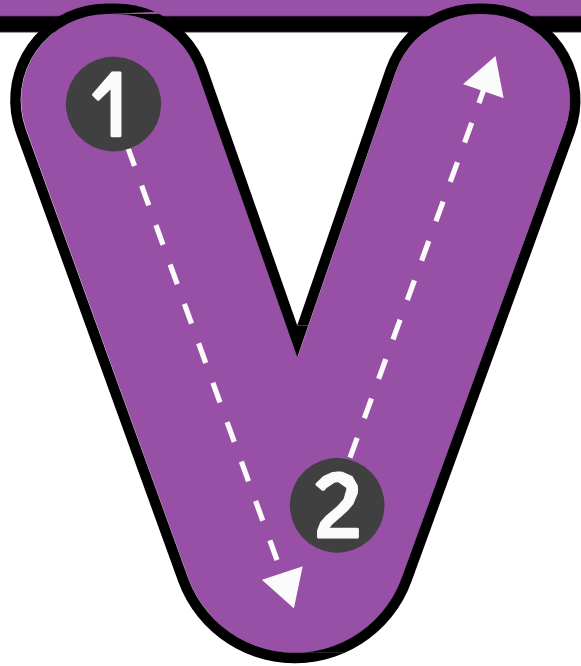

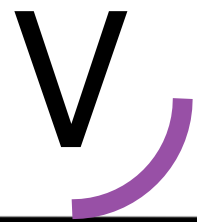

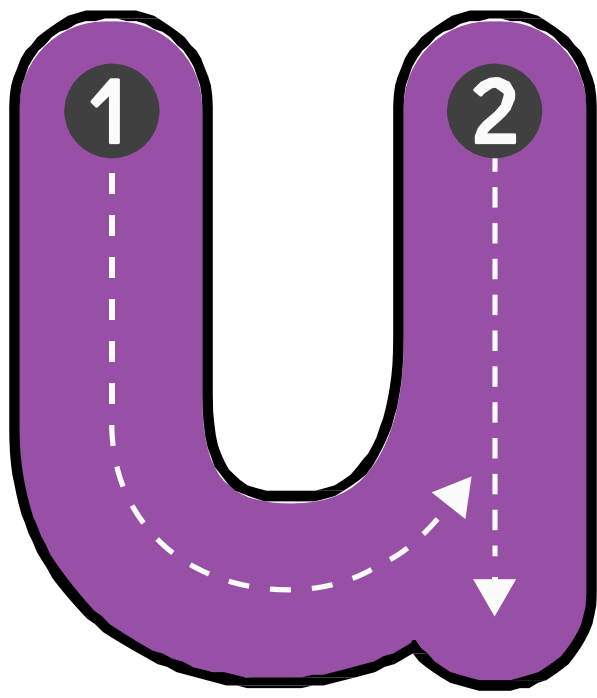

Tracing guide for the letter 'm'. The letter is shown in green with a dashed outline and numbered arrows indicating stroke order: 1 (downward vertical stroke), 2 (top hump), and 3 (second downward vertical stroke). Three green circles are on the left. Below the letter are three options: M, N, and W, each with a green bracket underneath.

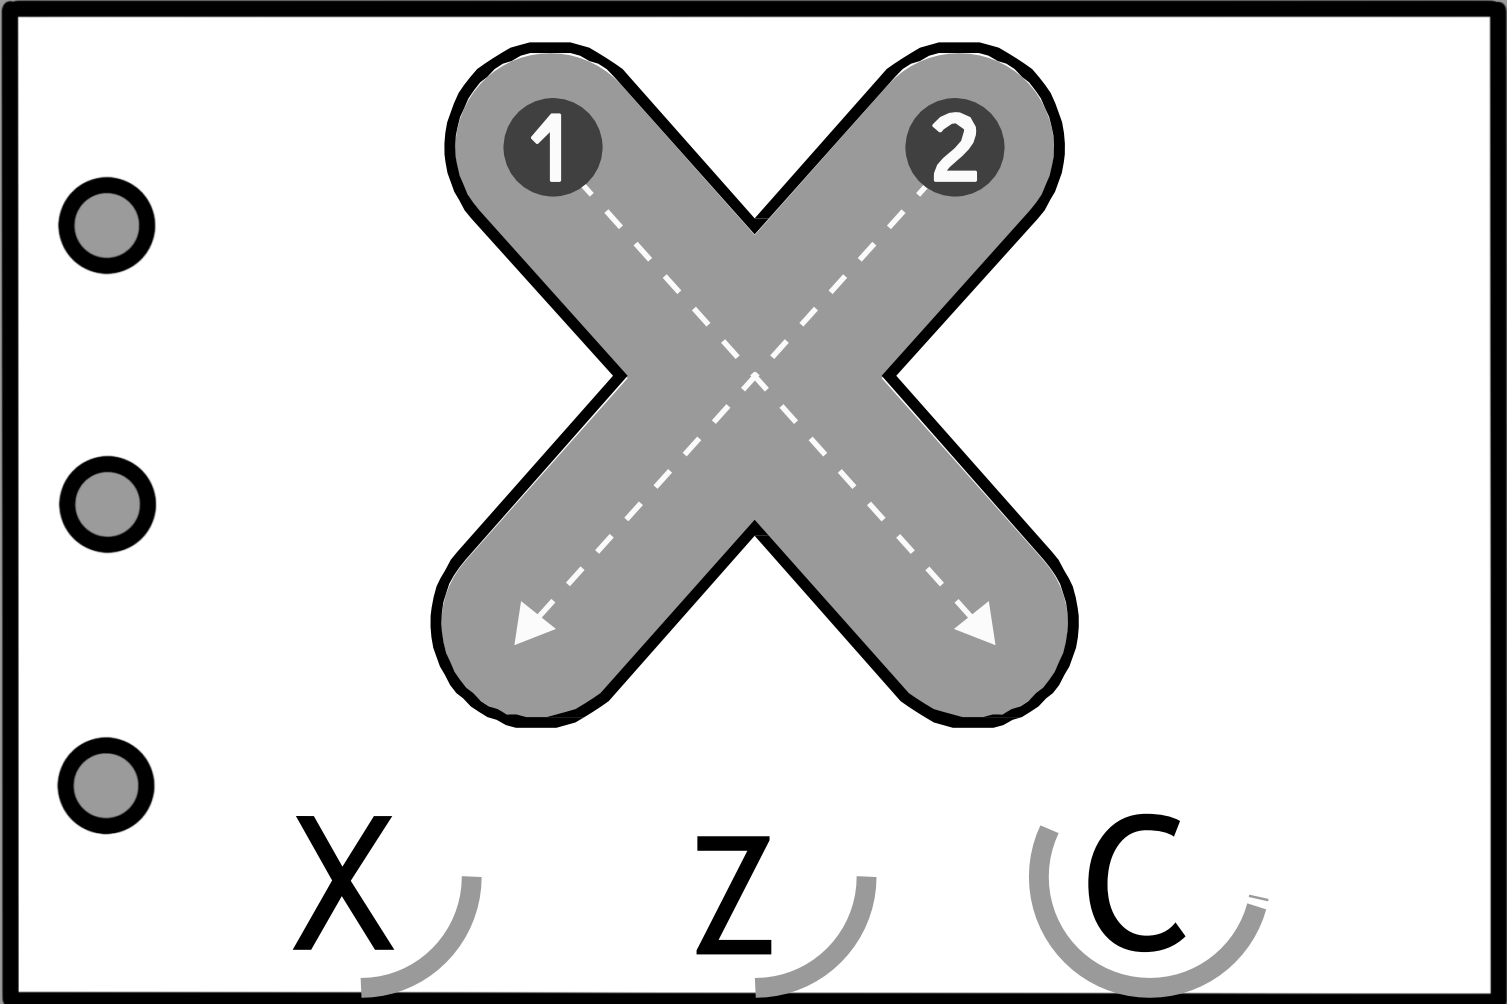

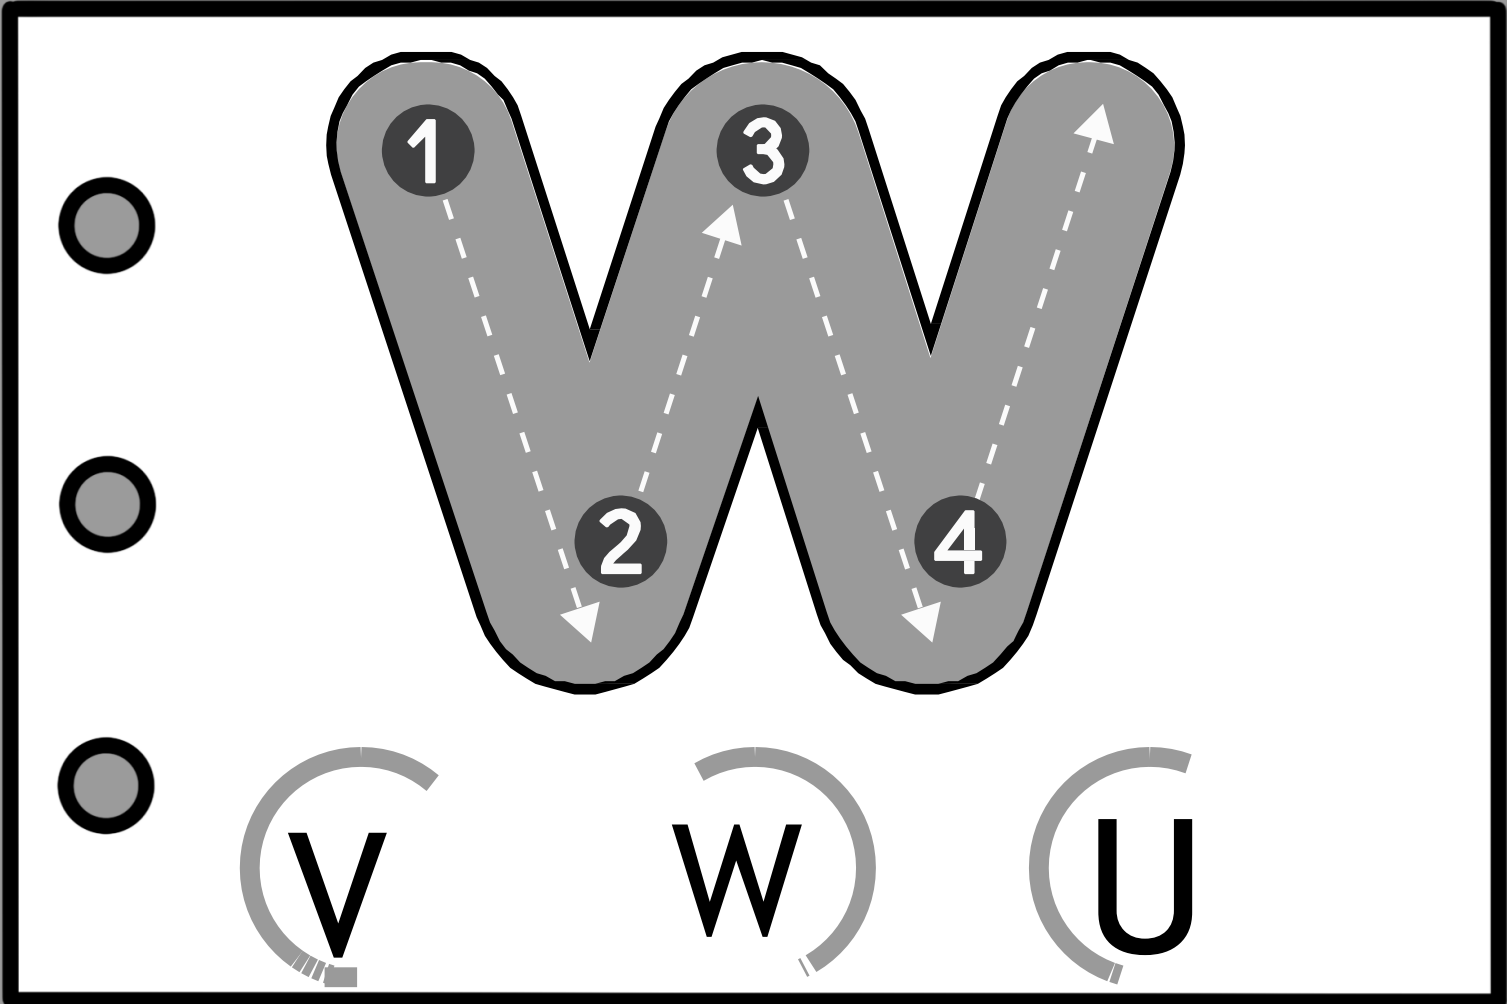

Tracing guide for the letter 'n'. The letter is shown in green with a dashed outline and numbered arrows indicating stroke order: 1 (downward vertical stroke) and 2 (curved top). Three green circles are on the left. Below the letter are three options: N, U, and M, each with a green bracket underneath.

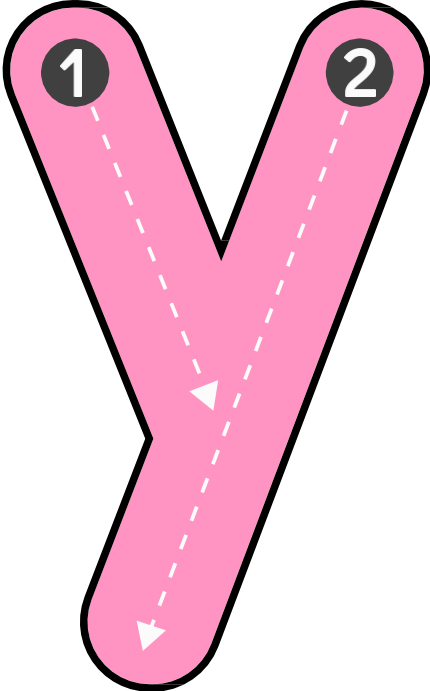

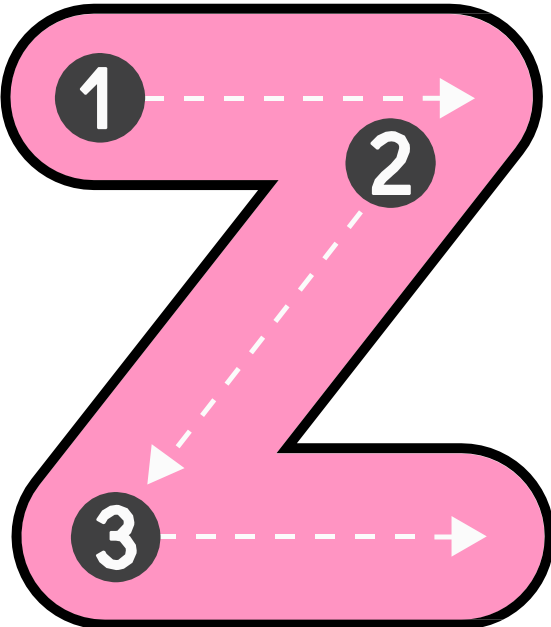

○ ○ ○

A large pink uppercase letter 'Y' with a dashed line tracing path. Stroke 1 starts at the top left and goes down to the middle. Stroke 2 starts at the top right and goes down to meet stroke 1. A third stroke goes down from the junction to the bottom.

Y J G
