

Color Banners Displays

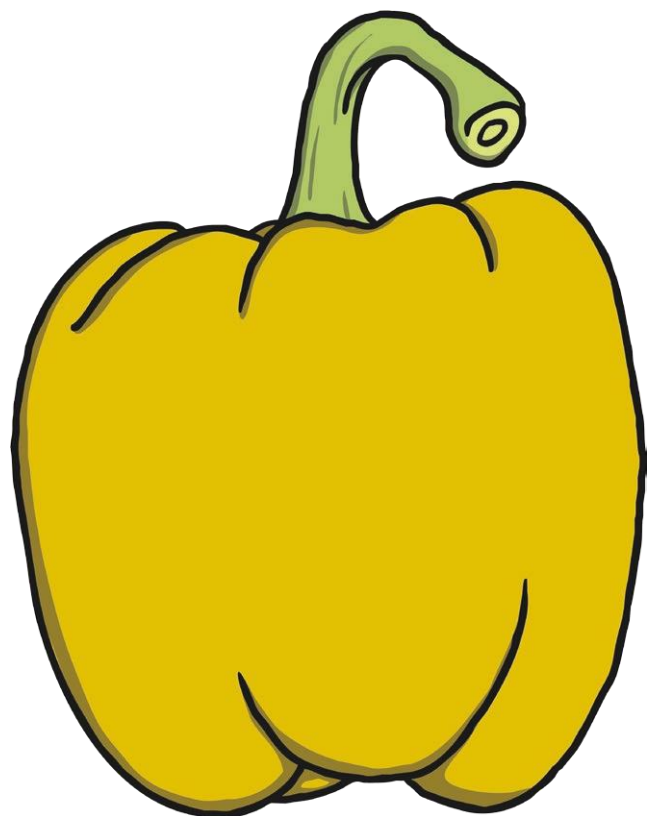

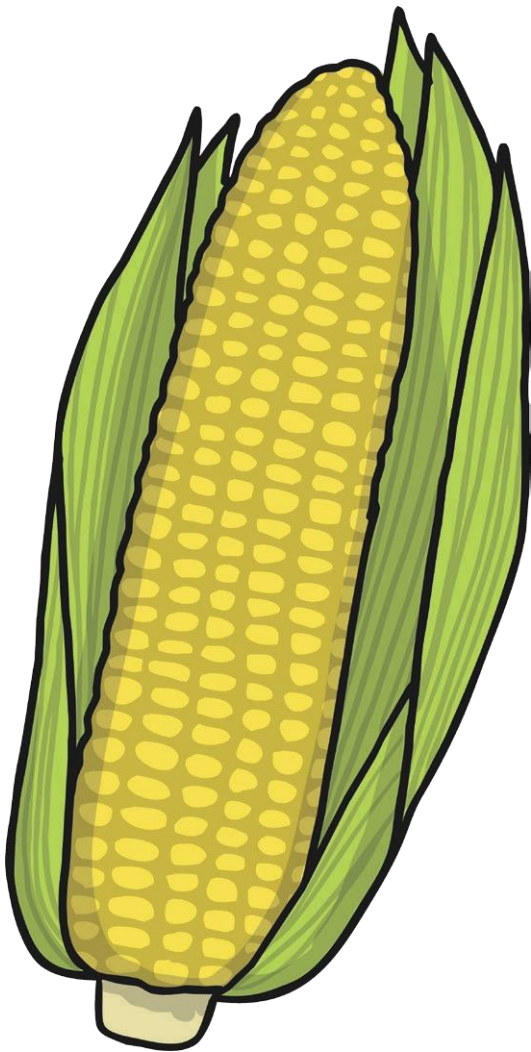

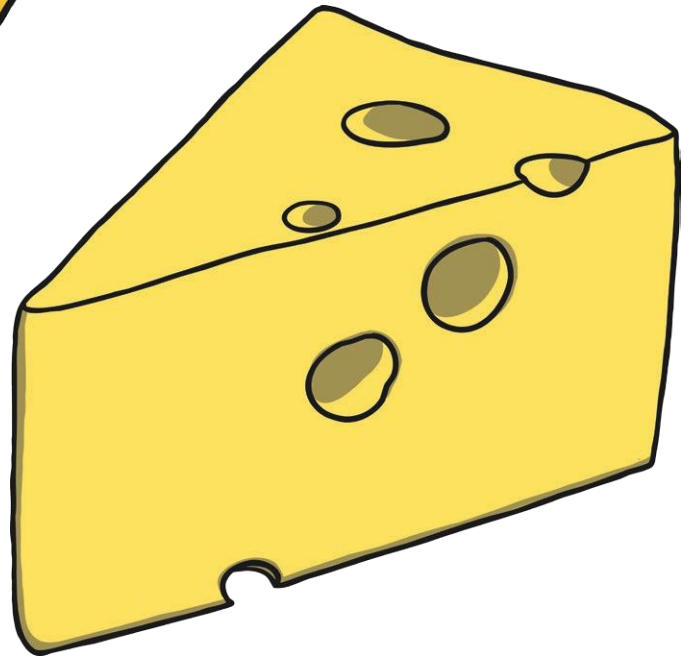

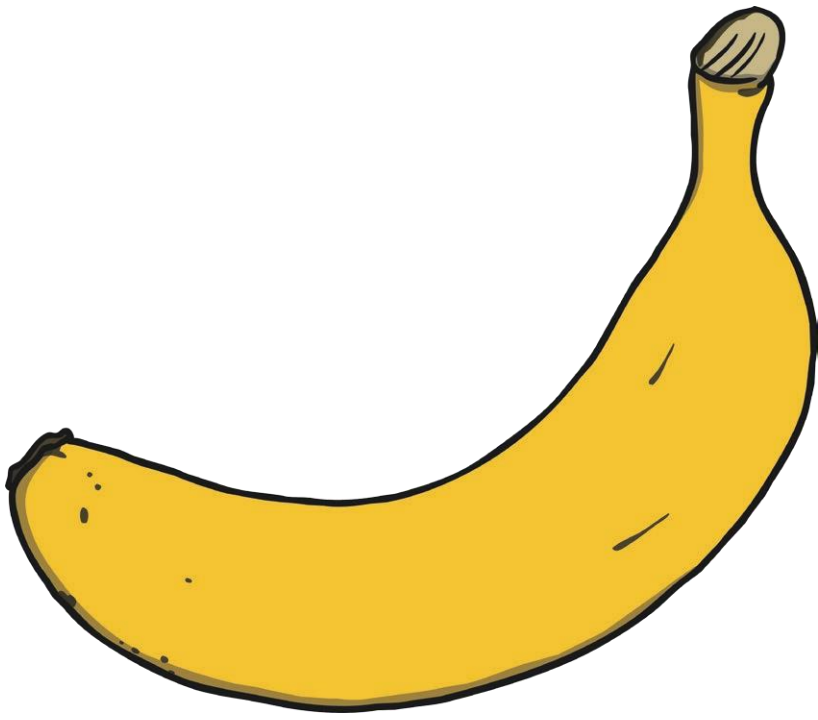

- Instruction:**
- Laminate the printout for durability
 - Cut out
 - Design the way you want it or as shown on the pictures.

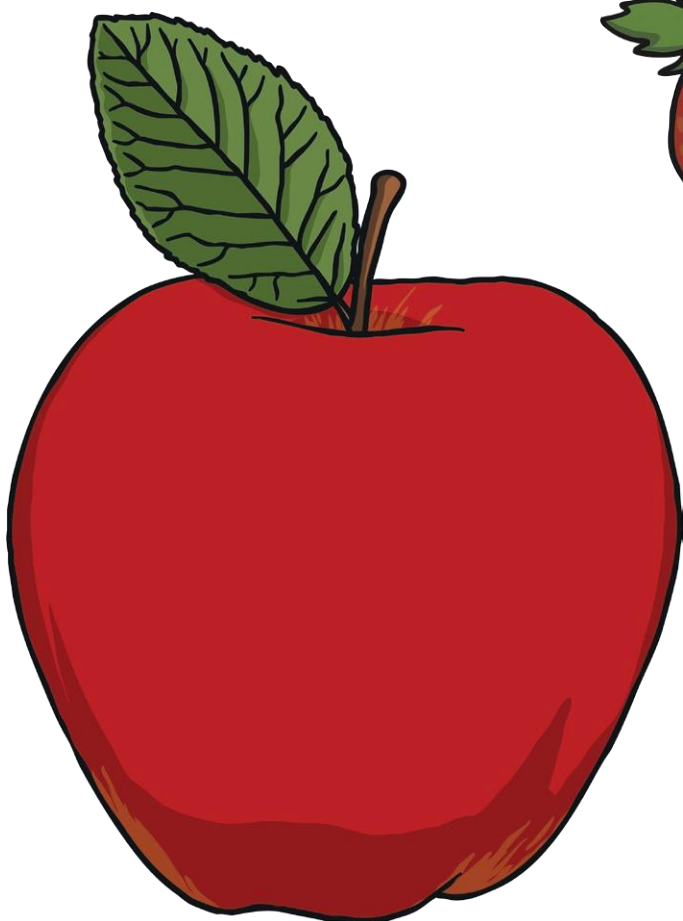

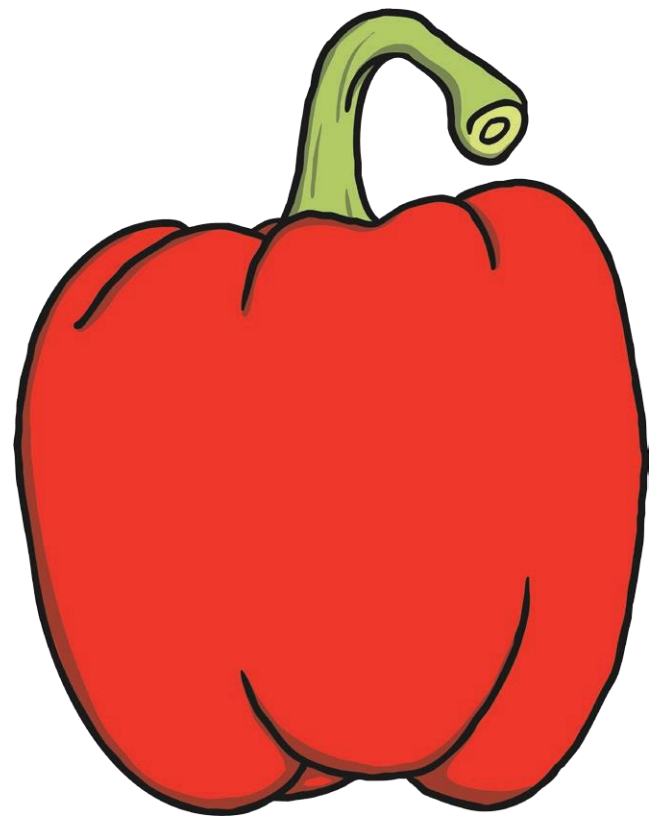

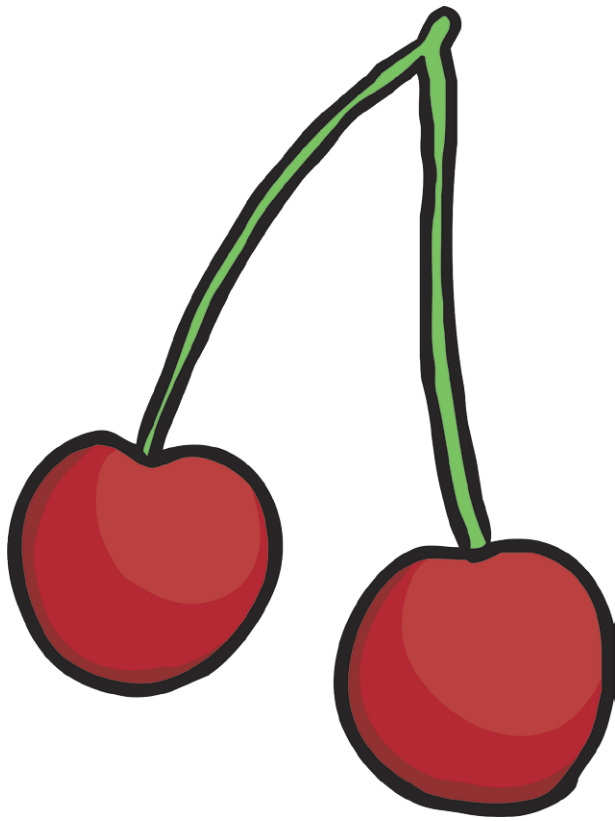

A large, vibrant yellow splatter graphic with irregular, bubbly edges, centered on a white background. The word 'yellow' is written in a white, rounded, sans-serif font with a black outline, positioned horizontally across the middle of the splatter.

yellow

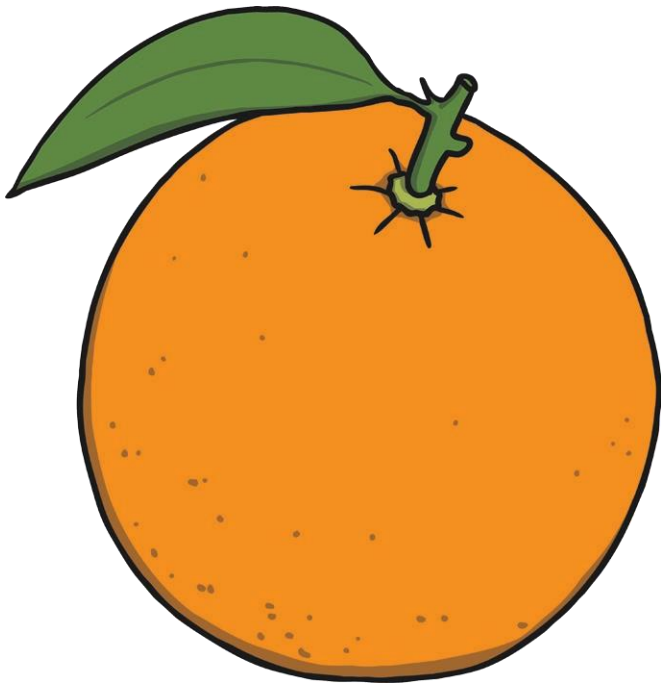

A large, vibrant red splatter or ink blot is centered on a white background. The splatter has irregular, organic edges with many smaller droplets and dots radiating outwards, creating a sense of motion and energy. The word "red" is written in a white, lowercase, sans-serif font with a thin black outline, positioned in the center of the red area.

red

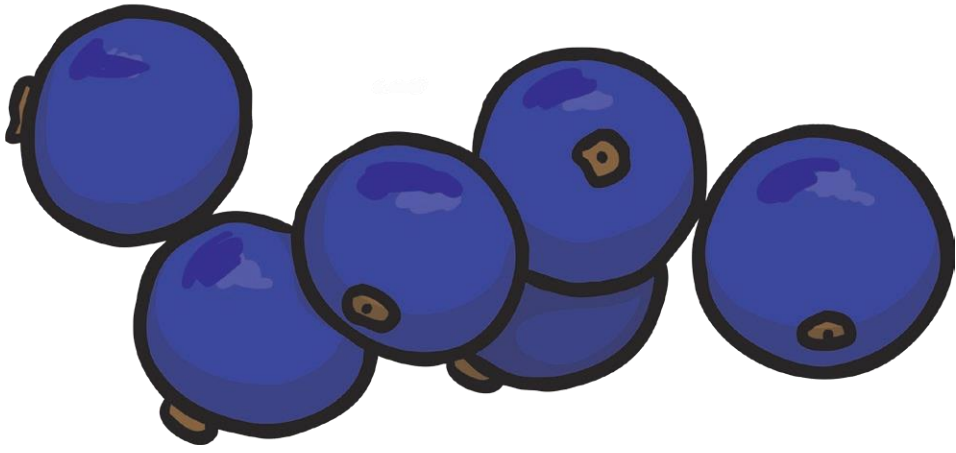

A vibrant orange splatter graphic with various sized droplets and a central mass, serving as a background for the text.
