Roy and Joy went to the beach with their toy boat. They had so much fun playing with it in the water. They shouted with joy when they saw the fish swim by.

Roy and Joy decided to explore the beach. They walked on the sand and looked for seashells. Roy found a shiny coin buried in the sand. Joy was so proud of him. They continued to walk and found a toy car that someone had left behind.

Roy and Joy decided to take the toy car with them and play with it later. They were having so much fun at the beach that they didn't want to leave. But soon it was getting dark, so they had to go back home.
